# OPTAVIA CONNECT APP

Last Modified on 02/14/2023 9:48 am EST

We are thrilled to offer you access to the NEW OPTAVIA CONNECT App for independent OPTAVIA Coaches, now available for download in the [App \(Apple\)](#) and [Google Play \(Android\)](#) stores.

Once you download the App, sign in with single sign-on (SSO), with the same credentials used when logging in to your OPTAVIA CONNECT account.

The OPTAVIA CONNECT App equips OPTAVIA Coaches with the tools to build and grow their business from anywhere. Using the App, Coaches can manage their business more efficiently, specifically via robust reporting capabilities and many of the same features included in the OPTAVIA CONNECT web version.

Your input is vital to the success of this App, which is why you are receiving early access. It will determine the key priorities for the Coach Community – what we can improve and where to focus when enhancing future updates.

You can share feedback in two ways: within the CONNECT App feedback tool, located in the left-hand navigation bar, or by leaving your comments in the [App \(Apple\)](#) and [Google Play \(Android\)](#) stores.

# Frequently Asked Questions

Where can I find the CONNECT App?

The OPTAVIA CONNECT App is available for download in the [App \(Apple\)](#) and [Google Play \(Android\)](#) stores. Use single sign-on (SSO) to access the App, with the same credentials used when logging in to OPTAVIA CONNECT.

Is my login information for the CONNECT App the same across all business platforms?

Yes, you use single sign-on (SSO) to access the CONNECT App, just as you do when signing in to OPTAVIA CONNECT.

Where can I share my feedback?

You can share feedback in two ways: within the CONNECT App feedback tool, or by leaving your comments in the Apple and Google Play Stores.

**Note that your feedback is critical to the success of this launch and the development of this App for Coaches.** Without your feedback and requests for improvements or new functionalities, we can't provide the best-updated versions.

Can I share feedback while logged into the App?

Yes, you can leave feedback when using the App and we encourage you to do so!

**Your feedback is critical to the success of this launch and the development of this App for Coaches.** Without your feedback and requests for improvements or new functionalities, we can't provide the best possible iteration before releasing an updated version to your Coach teams.

Why Should **OPTAVIA** Coaches download the CONNECT App?

The **OPTAVIA** CONNECT App equips independent **OPTAVIA** Coaches with the tools to build and grow their business from anywhere. Using the App, Coaches can manage their business

more efficiently, specifically using robust reporting capabilities and many of the same features included in the **OPTAVIA CONNECT** web version.
